

The Seven Universal Laws

The Way To True Peace

Know G-d

In the face of life's immense forces, should recognize the one and only G-d, follow His laws, and avoid seeking power elsewhere, as it distorts life's purpose and can lead to evil.

Respect G-d

In moments of disappointment, blaming G-d or cursing G-d and undermines the foundation of order and justice in society.

Respect Life

Cain and Abel's story highlights the duty to protect each other. Prohibiting anslaughter, including abortion, safeguards human life and honors our creation in G-d's image.

Respect Marriage

The Bible promotes companionship and sanctifies marriage. Wholesome families are crucial for healthy societies. Nations condoning immorality face decay and disrupt G-d's plan.

Respect Property

Earn sustenance honestly, respecting others' property, as violating it undermines humanity, leading to anarchy and selfish cruelty. Such sins led to the Flood, a consequence of this fundamental transgression.

Respect Animals

As caretakers, we extend our responsibility to nature. Consuming freshly killed animals is deemed cruel. Upholding this principle contributes to elevating creation for a world where G-d can dwell.

Preserve Justice

A just legal system, with judges and courts, translates personal ideals into societal order, earning G-d's blessings and guaranteeing adherence to laws.
